RECYCLING – NEWSPAPERS, MAGAZINES, JUNK MAIL, BOXBOARD

EASY AS 1, 2, 3, 4 - No need to separate your newspapers, magazines, junk mail, or boxboard (cereal and dry food boxes with inside bag removed and box flattened). Place items in a **PAPER BAG** or tie with string/twine and place on top of or next to your recycling bin. Remember loose paper not only blows around our streets, it makes the recycling process difficult and cannot be accepted. Your cooperation will be greatly appreciated.
